CONFERENCE POLICIES

All TritonMUN attendees are expected to adhere to the following policies throughout the duration of the conference. Any violation or reasonable suspicion of a violation will be reported to the Upper Secretariat and to the attendee's head delegate and/or advisor. Serious infractions may lead to award penalties or removal from the conference, at the discretion of the Upper Secretariat.

Sensitivity & Harassment Policy

TritonMUN is committed to fostering a healthy environment for diplomacy and dialogue on history and current events. Harassment or disruptive behavior of any kind—whether verbal or non-verbal, in or out of committee—is strictly prohibited. All attendees and staffers should be treated with equal respect, and discrimination on the basis of race, color, gender identity, sexual orientation, religion, nationality, ethnicity, or physical/mental disability will not be tolerated. This list is not exhaustive, and should not be treated as such. **Please report any instances of harassment to conference staff, either directly or through the Anonymous Feedback Form.**

In addition, we acknowledge that topics discussed in-committee may be politically sensitive, particularly in Specialized and Crisis Committees. While we understand that delegates may be immersed in the action and setting of their committee, delegates must maintain decorum and refrain from inflammatory language and actions, even when doing so may be historically accurate to one's character, group, or country. When drafting crisis directives, delegates should refrain from pursuing any action that explicitly violates human rights, including—but not limited to—enslavement and genocide. **Please refer to your committee's background guide for specific sensitivity statements and guidelines, and direct any questions to the committee's head chair.**

Plagiarism & Generative AI Policy

TritonMUN recognizes that Model United Nations provides a space for aspiring leaders to showcase their work and abilities, and that all delegates wish to be evaluated in a fair and accurate manner. As such, we expect all delegates to perform with integrity and refrain from plagiarizing the work of their peers. This includes—but is not limited to—claiming the work of another delegate as one's own, including another bloc's unique clause without prior approval from the original writer, and replacing another's work with one's own (i.e. overwriting).

In addition, delegates are strictly prohibited from utilizing generative AI to produce position papers, resolutions, and directives, in part or in their entirety.

Resolution Work Outside of Committee

TritonMUN wishes that all delegates use their breaks and downtime as intended: to connect, relax, and refresh. While not in committee, delegates are strictly prohibited from working on resolutions and directives. In addition, this means that pre-writing, or preparing resolutions and directives before the start of the conference, is strictly prohibited.

Technology Policy

Delegates should expect the use of technology to be limited during committee sessions. Instead of having a universal technology policy for TritonMUN, such policies are individualized for each committee and set by their chairs. Please refer to each committee's background guide to understand their technology policies, and direct any questions to the committee's head chair. Repercussive actions will be taken at the discretion of the head chair.

Advisor Policy

Delegation advisors are recommended to limit their time in committee rooms during committee sessions in order to provide the best experience for delegates. A maximum of 3 advisors are allowed in each committee room at the same time in order to prevent disturbances during committee sessions.

ATTIRE

The Dress Code at TritonMUN is Western Business Attire.

What is Western Business Attire?

Western business attire, or international standard business attire, serves as customary dress for workplaces. It entails wearing a suit, which is made up of trousers, a matching jacket, a button-down dress shirt, and a tie. Conservative dress shoes and socks are also important. Skirts and dresses may also be worn as long as they fall to a decent length. The main thing to remember is to always ensure that your appearance is tidy and put-together, and that you are well-covered.

Suits	A suit always looks professional. Be sure to keep suits clean and wrinkle-free.
Tops	No t-shirts, tank tops or spaghetti straps. A blouse, sweater, or button-down shirt is appropriate. Dresses are also appropriate as long as they are tailored, not revealing and adequate in length. A collared/button-down shirt is appropriate. A sport coat or sweater/vest is also a fine way to pull together a professional look.
Bottoms	No jeans, shorts, or leggings. Slacks and suit-pants are acceptable. (Gauchos and Capri pants are casual wear, not professional business dress.) Hose/stockings offer a more polished look, but are not required. Socks should also be of a dark color. Avoid wearing white athletic socks with professional business dress. Skirts should be tailored and provide adequate coverage; they should not fall more than two inches above the knee. Bottoms should be in a solid color or have a subtle pattern; avoid loud designs and flimsy/sparkly fabrics.
Shoes	No sneakers or sandals/flip flops. Pumps and sling-backs are appropriate, but remember that you will be on your feet, so use your discretion when selecting a higher heel. Loafers or other types of dress shoes are preferred.
Hair	Keep hair clean and out of your face for a professional look.
